

Civilian and Military Airspace

Flight Instructor Kurt Neuroth and former US Naval Aviator Rick Nenno will cover a review of airspace basics, then dive into particulars of the various types of military airspace we have in the SoCal area. Discussion will include how to get good information on the current status of airspace as well as the types of aircraft and operations going on in Special Use Airspace as well as Military Training Routes in our area. There is a modest fee for this event

Directions: Exit the 5 or 91 Freeway at Magnolia Ave northbound. Turn left on Commonwealth Ave. In about 1/4 mile, you'll pass the airport terminal and ATC tower building; AFI is the next building to the west. AFI Main Hangar, next to self-serve fuel island west of the terminal building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
